and Construction of Health Care Facilities.

Read-Only Access to the Guidelines - FGI

For the 2014 edition, the document previously known as the Guidelines for Design and Construction of Health Care Facilities has been divided into two standards—one for hospitals and outpatient facilities and one for facilities in which residents or clients receive long-term care or support. This is the greatest change resulting from the Facility Guidelines Institute’s 2014 revision cycle.

Facility Guidelines Institute (FGI) | ASHE

When state regulations are silent on particular design criteria, the Joint Commission recognizes the Facility Guidelines Institute (FGI) Guidelines for Design and Construction for new construction and renovation projects; the Joint Commission told us they would move from the 2014 edition to the 2018 edition effective January 1, 2020.
