When the Royal Air Force purchased multiple sets of portable radar stations, Tenix defence systems were the project co-ordinators, Nilsen electrical were responsible for the design and construction, the Project Engineer responsible for the design of the multi-million dollar military project says, We Used Solutions Electrical software because of the exacting standards laid down by the military, it performed flawlessly for all our designs and calculations.

About Us | Electrical Solutions

The team at Electrical Solutions & Service did a fantastic job of upgrading my lights on the upper floor of my house and adding more circuits to my kitchen during a remodel. They added can lights and moved a ceiling fan, and brought all my plugs up to code. They even worked with me to get my electrical box and breakers up to code and the most
