Welcome Everyone! I'm excited to have this website to share everything that I have discovered, created and learned. I have been teaching for 17 years, in grades 1st - 5th. Most of those years have been in multi-age, split classrooms, which I have come to love. Guided-Math was created out of a need for a way to teach math to two grades at once

MultiBrief: The importance of guided practice in the classroom

Because it is extremely difficult to undo misconceptions, we use an instructional technique called guided practice. In other words, we let the student practice under our guidance so we can immediately step in and correct mistakes. This is a more effective use of our time in the long run, and it sets the student up for success.
