Winter reading guide: 20 books from Joan Didion, Kazuo

In *Political Fictions*, tracing the dreamwork that was already clear at the time of the first Bush ascendance in 1988, Didion covers the ways in which the continuing and polarizing nostalgia for an imagined America led to the entrenchment of a small percentage of the electorate as the nation's deciding political force, the ways in which the two major political parties have worked to narrow the electorate to this manageable element, the readiness with which the media collaborated in this

Editions of Political Fictions by Joan Didion

Political Fictions. In these coolly observant essays, Joan Didion looks at the American political process and at "that handful of insiders who invent, year in and year out, the narrative of public life." Through the deconstruction of the sound bites and photo ops of three presidential campaigns, one presidential impeachment, and an unforgettable sex scandal, Didion reveals the mechanics of American politics.

Bing: Political Fictions Joan Didion

The opening sections of Joan Didion's new collection of essays, "*Political Fictions*," veer close to a similar irrelevancy. Didion began doing reported political essays for the *New York Review of*

In *Fictions*, Didion explores and excoriates a number of topics and political figures, among them Bill and Hillary Clinton, the 1992 Republican National Convention, Kenneth Starr, Bob Woodward, Newt

Political Fictions - Joan Didion - Google Books

Didion's central argument throughout the essays in *Political Fictions* is that our

democratic elections (and the entire apparatus that surround them) are only nominally connected to the electorate itself. She argues only a small percentage of the population has become the deciding element in elections, this outcome is favorable to political elites (as the population they must appeal to becomes much more manageable), and this outcome was actively contributed to by the political media.

Amazon.com: Customer reviews: Political Fictions

In conjunction with the hardcover publication of Political Fictions, Joan Didion did a series of interviews with college newspapers around the country. Her desktop includes excerpts from two of those interviews - conducted by the Daily Californian of UC Berkeley, where Didion attended school as an undergraduate, and the Harvard Crimson .

Political Fictions by Joan Didion | NOOK Book (eBook

Political Fictions is a 2001 book of essays by Joan Didion on the American political process. In it, Didion records the election of George H. W. Bush and his defeat by Bill Clinton, the Republican takeover of Congress in the 1994 elections, Clinton's impeachment, and the 2000 race between George W. Bush and Al Gore. The collection includes three essays previously published as the "Washington" section of After Henry written for The New York Review of Books between October 1988 and October 2000.

Fifteen Years Ago, Joan Didion's Political Fictions

By Joan Didion Sept. 23, 2001 Early in 1988, Robert Silvers of The New York Review of Books asked me if I would do some pieces or a piece about the presidential campaign just then getting underway

Political Fictions by Joan Didion (2002, Trade Paperback

Joan Didion is my favorite modern author, so I was looking forward to her thoughts on the politics of our nation. This book does not disappoint. Written about events occurring between the Clinton election and the 2000 Bush election, she paints a picture of a political landscape which seems to be as certainly about today as then.

In 1988, Joan Didion began looking at the American political process for The New York Review of Books. What she found was not a mechanism that offered the nation's citizens a voice in its affairs but one designed by-and-for-"that handful of insiders who invent, year in and year out, the narrative of public life."
